

## Now Elgin Fastener Group Combines:

- Four leading domestic fastener manufacturers
- Fastener Engineering
- Fastener import sourcing
- A metal finishing company

You'll get  
**ISO 9001:2000**  
quality & The  
**Right Fastener**  
Right Now™

When your application requires a high quality metal fastener, or metal finishing, **Elgin Fastener Group** has the right solution. Your inquiry will be reviewed by four domestic fastener manufacturers and our engineering and import sourcing team. Specials and semi-standards, variety of materials, post treatments and finishes. Fast quotes, expedited lead times and superior value. And now quality metal plating. Only from the Elgin Fastener Group.
